

## Corrigendum to Tender Enquiry No.: TPNODL/OT/2021-22/219 for “Supply of Single Phase Meter 10-60A with box.”

### A. The date schedule is revised as below:

- ✓ Due Date & Time for Bid Submission: 1700 Hours on 15.04.2022
- ✓ Due Date & Time for Technical Bid Opening: 1730 Hours on 15.04.2022

### B. Modified Qualifying Requirements is mentioned below:

1. The bidder should have an average annual turnover of Rs.100 Crores in last 3 financial years (FY 17-18, FY 18-19 and 19-20, 20-21). Copy of audited P&L Account to be submitted in this regard.
2. The bidder should have supplied 1,00,000 Nos of Single Phase meters during the last 3 FY years. Copy of work order / completion certificate to be submitted in this regard.
3. Bidder shall submit satisfactory performance certificates for the **past 2-year** experience from 2 reputed companies. The work against these issued certificates should be completed in last seven years from the date of bid submission. In case the bidder has a previous association with Tata Power Group for similar products and services, the performance feedback for that bidder by Tata Power Group shall only be considered irrespective of performance certificates issued by any third organization.
4. The bidder should have own manufacturing facility (in India) for manufacturing of meters. Bidder should submit the undertaking in this regard.
5. The bidder should have in-house testing facilities for acceptance test as per TPNODL technical specification of Single Phase meter. Bidder must submit undertaking in this regard.
6. The subsidiaries of global/Indian companies are also eligible to bid if the qualification requirements stated above are met independently or in combination with the parent/sister concern/group company. However, the bidder should have an establishment of permanent nature in India. Bidder should submit the undertaking and details of address in this regard.

***The tender document stands modified to the extent stipulated herein above in this document.***
